*Dual-purpose items. A dual-purpose item is one that has both a medical purpose and a general health purpose. These products are sometimes used to alleviate or treat a medical condition or they may be used to promote general health and well-being. You may purchase these item(s) after discussing with your physician and health plan who recommends the item(s) for a specific condition. Do not buy a dual-purpose item if your doctor or your health plan do not recommend the item. If your doctor and your health plan do recommend the item, you may buy the item(s) through your OTC benefit. Dual-purpose items are marked with an asterisk (*).

Please note that the regular retail price in the store or online may vary. This product list is subject to change. Items, quantities, sizes, and values may change depending on availability. This information is not a complete description of the product and benefits. Items may vary based on the manufacturer and availability. Items may be added or removed at any time without notice. The brand names of the listed items are trademarks of each company. Item costs may change. Please review the product labeling and consult with your doctor for any health or medical questions. All benefits are not available on all plans.

Benefits, features and/or devices may vary by plan/area. Limitations, exclusions and/or network restrictions may apply. OTC benefits have expiration timeframes. Call your plan or review your Evidence of Coverage (EOC) for more information.
